

HOW TO MAKE A POM POM

1. FIT THE TWO PIECES OF THE POM POM MAKER TOGETHER.

2. OPEN THE COLOURED SEMI-CIRCLE PART.

3. HOLD THE WOOL IN PLACE ON THE COLOURED SEMI-CIRCLE AND START WINDING THE YARN. KEEP WINDING UNTIL YOU HAVE COVERED THE COLOURED SEMI-CIRCLE AND FILLED THE GAP IN THE MIDDLE.

4. FOLD CLOSED AND OPEN THE EMPTY HALF. REPEAT THE WINDING!

5. CLOSE THIS HALF. TAKE A SHARP PAIR OF SCISSORS AND FIT INTO THE GROOVE IN THE PLASTIC AROUND THE OUTSIDE OF THE RING. SNIP THROUGH ALL OF THE YARN AROUND THE OUTSIDE EDGE.

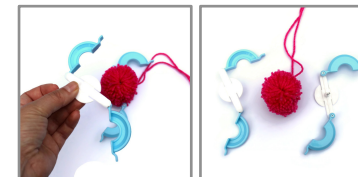

6. TAKE A SINGLE LENGTH OF YARN, SLIDE IT INTO THE GROOVE IN THE PLASTIC, PULL IT TIGHT AND TIE A COUPLE OF TIGHT KNOTS.

7. OPEN THE COLOURED PLASTIC PARTS AND PULL APART THE TWO HALVES.

8. PULL THE POM POM OFF THE MAKER. YAY! – A POM POM!

9. GIVE YOUR NEW POM POM A HAIRCUT OF YOUR WISH – OR LEAVE IT WILD AND SHAGGY.
